Public Convenience and Necessity.) INTERVENTION

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Request filed on behalf of Steven W. Hamm, the Consumer Advocate for the State of South Carolina (the Consumer Advocate) requesting leave to withdraw its Petition to Intervene. On November 21, 1991, Dataphon SC Limited Partnership filed an Application with the Commission seeking a certificate of public convenience and necessity to construct and operate a Cellular Mobile Telecommunications System in South Carolina Rural Service Area (RSA) No. 4 which includes South Carolina counties of Kershaw, Chesterfield, Darlington, Marlboro and Dillon.

The matter was duly noticed to the public and the Consumer Advocate timely filed his Petition to Intervene on January 6, 1992. The Consumer Advocate has advised the Commission that he will not participate in any hearing scheduled in this matter after discussions with counsel for the Company and upon further review of the Company's Application.

After review of the request of the Consumer Advocate, the Commission finds that its request to withdraw its intervention should be granted.
